

AAPM Virtual Library Resources

Melissa C. Martin, M.S., FACR, FAAPM

**Re-engineering the Educational Process for
the Future**

World Congress of Medical Physics-Seoul, Korea

Session 4: Presentation # 5317

Thursday, August 31, 2006

Contents of the Virtual Library

Presentations posted in the Virtual Library include:

- **streaming video and/or audio of the speakers**
- **transcription of the audio presentations**
- **slides of the presentations**

AAPM Virtual Library

- **AAPM Website: www.aapm.org**
- **“Education” selection on left side of home page**
 - **Virtual Library selection under “Education”**

Virtual Library Presentations

- **Annual Meetings: 2001 - 2006**

Continuing Education Courses: Therapy and Imaging Tracks

Symposia of Special Interest

Approximately 50 hours taped for each annual meeting: 2001-2004

100 hours per meeting taped for 2005 and 2006.

Virtual Library Presentations from Annual Meetings - Format

- **Power Point Slides of Presentation**
- **Transcribed and Synchronized Text of Presentation with Slides**
- **Audio Presentation**
- **Picture of Presenter**

Virtual Library Presentations

- Joint AAPM/American Brachytherapy Society Summer School - Seattle, WA - 2005
Brachytherapy Physics 2005

- AAPM Training Program: Current Topics in Clinical Radiation Protection
Presented at the 2005 CRCPD Annual Meeting - Kansas City, MO

Virtual Library Presentations

Medical Imaging Research Symposium - San Diego, CA - 2003

Medical Imaging Analysis - Modalities Using Non-Ionizing Electromagnetic Radiation

IVB Medical Physics Lecture Series - Salt Lake City, UT - 2001

AAPM Training Program: Current Topics in Clinical Radiation Protection - CRCPD 2005

Opening Remarks

Presented by: Melissa C. Martin, MS, FACR

■ **Physicists of Note Interviews:**

The AAPM History Committee is pleased to present a selection of interviews with prominent medical physicists.

AAPM Corporate Affiliate - Vendor Presentations

We are pleased to announce the inclusion of AAPM Corporate Affiliate - Vendor Presentations in the AAPM Virtual Library.

AAPM recognizes the significant contributions to the field of medical physics our Corporate Affiliates provide. We welcome their inclusion in the Virtual Library and hope members will find these presentations a resource for learning about products, techniques, and company activities. AAPM Corporate Affiliates - Vendor Presentations currently posted include:

[Xoft, Inc](#)

as presented during the 2005 AAPM Annual Meeting

[Siemens Medical Solutions](#)

as presented during the 2004 AAPM Annual Meeting

Projects for the Future of the Virtual Library

Presentations at the 2006 Annual Meeting will be available by January 2007 or sooner.

A new portal to the Virtual Library is being developed by Blue Sky, the video contractor. This portal will provide a searchable data base for all library contents from the 2005 meeting forward.

Search contents for prior years is by selecting the annual meeting of interest and following the track selection options.

AAPM Virtual Library Access

- **Currently available to all AAPM members, both in North America and internationally.**
- **Currently available to all State Directors of Radiologic Health Programs through membership in the CRCPD (Conference of Radiation Control Program Directors).**
- **Contents prior to 2005 are available free to the international community upon request for access.**
